

PREGNANCY & newborn

the Best bag

This is it—the guide to finding your perfect diaper bag!

We've collected some of today's hottest diaper bags and put them to the test. Real moms have loaded them up, taken them out and packed them to their limits—and lived to tell us what they *really* thought. Find the bag of your dreams ... or two or three bags for that matter. If it's going to be your handbag for the next three years, you'll appreciate a little variety!

NUMBER OF POCKETS

With 15 total, this bag is a pocket haven—they're everywhere!

ORGANIZATION

Interior and exterior pockets of varying sizes allow for easy, organized stowing. The top zips tightly shut and there's even a mesh pouch for your wallet and a lanyard for your keys.

STRAPS

Enjoy the tote-style handles, the removable padded shoulder strap or the snazzy matching stroller straps—they're all included!

EASE OF CLEAN

It's wipeable, inside and out, but a waterproof Teflon coating that allows spills to slide right off reduces the need for heavy cleaning.

OVERALL

A practical, lovely and socially-presentable bag. Ju-Ju-Be offers several different styles and prints, making them a fit for moms of any style.
